WEEKLY REPUBLICAN—1887.  
DAILY PUBLIC LEDGER—1892.

MAYSVILLE, KY., THURSDAY, NOVEMBER 23, 1905.

ONE COPY—ONE CENT.

**A DESIRABLE DAD.**  
The Stork one day  
Had lost its way,  
Was tired and full of rancor,  
And asked the child  
That at it smiled  
Where it would like to anchor.  
The kid was wise,  
As you'll surmise,  
And murmured to the birdie:  
"Just take me down  
To New York town  
To dear old Pa McCurdy."

—Puck.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 32, and let us have it.

## WHERE THE MONEY GOES

**An Example of How the Taxpayers Have to Whack Up**

Frank Martin, after being confined in the County Jail for five months and nine days, was given his liberty yesterday in consequence of the Grand Jury refusing to find an indictment on evidence laid before it.

There is something radically wrong with our jurisprudence when an innocent man is compelled to pay in jail for over five long weary months and not given an opportunity to establish his innocence.

It is an outrage upon the aggrieved party as well as an injustice to the taxpayer who is called upon to foot the bill for the keeping of the prisoners.

The Jailor is allowed 50c per diem for the keep of prisoners.

This man has been confined over 160 days, which amounts to something over \$80, and in a manner in that much money thrown away, from the fact that had he been tried in a reasonable time, as should be the case, the county would have saved this useless and extravagant expenditure of money.

Attorney L. W. Robertson was able to be out yesterday.

See advertisement elsewhere of George Croly, the well known traveling man.

W. S. Osborne adds twelve two-year-old cattle to his sale which takes place next Saturday, November 25th.

Any one knowing of any of the heirs of the Robert Bannum, who had a very large tract of land which is now incorporated with Covington and Newport, Ky., will please address Mrs. R. D. Wallingford, 927 Forest avenue, at once. It will be to their interest to call and see me if convenient.

## DO IT TODAY

## STOUT-ROBERTSON.

Mr. Urban Stout, an industrious and energetic young man, and Miss Maggie Robertson, an estimable young lady of Mayslick, were quietly married in this city yesterday, Rev. C. W. Chadwick officiating. They have the best wishes of their many friends.

## ROSS-FICKLIN.

The tinkling cadence of wedding bells was not needed to herald the approaching event as one entered the home of Mr. and Mrs. Robert Ficklin yesterday afternoon, for white covered floors, a marble entwined stairway, palms, ferns, carnations and chrysanthemums proclaimed on all sides, "Here comes the bride."

Between the drawing-room windows stood a pyramid of green at whose apex twinkled a crystal chandelier of starry lights, while on each side graceful pedestals supported silver candelabra. Before this bridal shrine of green and white Rev. Felix K. Struve awaited the wedding party. To the measured strains of Mendelssohn's immortal March the beautiful bride and her maid, Miss Myra Duke, entered one door as the groom and his brother, Mr. Earle Ross, advanced from the other. Amidst the harmony of reverent silence Imogene Ficklin pledged her troth to Raymond Ross, and as the ceremony closed two radiant faces greeted the friends whose good wishes were so affectionate and sincere.

The bride wore a dainty gown of white mousseline over silk, simply made, as became her girlish beauty. From a wreath of orange blossoms a cloud of tulle enveloped her and through its misty folds could be discerned a superb bouquet of white chrysanthemums.

Miss Duke looked very attractive in pink messaline, bearing an arm full of chrysanthemums to match her gown.

A toothsome collation followed the ceremony, and then amidst the merriment of rice, good wishes and adieus, Mr. and Mrs. Ross drove to the station whence they started on an extensive Eastern trip.

Mr. Ross is connected with the L. and N. Railroad at Newport, and our sister city is to be congratulated on so charming an addition to her social life as Mrs. Ross will be.

Silver, cut glass, china, linens, hooks, all found expression in the wedding gifts, whose generous number and the sunshine of the day presage, we hope, the brimming measure of happiness Providence will mete to Mr. and Mrs. Ross.

Out of town guests were Mr. and Mrs. Alexander and Miss Bryan of Newport, Miss McLaughlin, Covington, Miss Finch, Helena, Mr. and Mrs. Duke, Mayslick.

All trains on the L. and N. out from this city were an hour or two late Tuesday, occasioned by Captain Jim Dunn's engine dying near Helena, where he had to wait for help.

WHILE there were 810,000 gallons of eight-year-old whisky licked up by that Pennsylvania fire, it is consoling to know that there are 3,000,000 gallons of the same rare vintage which escaped the flames.

WILLIAM R. HEARST, Municipal Ownership candidate for Mayor of New York, paid \$65,843 for the 225,000 votes that he got. The fellow who is curious to know the market price in that city can figure it out for himself.

THE loss of 810,000 gallons of whisky by fire in Pennsylvania created little comment. If it had happened in Kentucky, the jokesmiths would have been working overtime for months to come.

DESPITE the sensational stories of the sensational newspapers the appraisal of the presents received by Miss ALICE ROOSEVELT during her Oriental trip shows them to be of only a few thousand dollars value.

WON HIS BET.

A joker offered to bet \$10 with a gentleman that he would ask sixteen persons one and the same question, to which he would receive the same answer.

The bet was accepted, and the joker asked each one of the sixteen this question—

"Did you hear that Smith is bankrupt?"

"Which Smith?" was the stereotyped reply.

# PEOPLE OF MAYSVILLE

## A PROCLAMATION BY JOHN C. PECOR.

Whereas, the people of our city have been led to purchase so-called remedies from which they have received no benefit whatever, and having thus wasted so much hard-earned money, it has come to pass that they knew not what to believe.

Inasmuch as this unsatisfactory state of affairs now exists, know, therefore, all persons who are in need of a medicine for any of the following ailments, that we will supply them with Vinol, our Cod Liver preparation made without oil, on a positive guarantee that if it does not succeed in benefiting them, we will refund the entire amount of money they have laid out on the medicine.

There is no one medicine that will cure everything, but there are some we know to be honest, reliable and of great curative value. Such is VINOL; it is not a patent or secret medicine,—everything in it is plainly printed on the label. We are familiar with every particle of it, and know that it should be a blessing to all persons who have troubles herein-after described; and, unlike other medicines, it will cost absolutely nothing if it produces no benefit.

Could any offer be more fair than this? You are ill; we offer you medicine which we believe in our hearts will be a blessing to you, and if it is not we will return to you every penny you paid us. Is there anyone foolish enough not to accept this offer? If you are ill and need such a medicine you owe it to your family, to your friends, and yourself to try VINOL, which we give you our pledge is a genuine Cod Liver preparation made from fresh Cod's Livers.

Do you think we could afford to lend our name to its praises, as we have been doing in the newspapers, if we did not know VINOL to be an honest and unusually valuable remedy for the ills for which it is prescribed? We certainly could not; we therefore ask you, our neighbors, friends and acquaintances, to accept our assurances that this is a genuine offer, and that any and all persons who need a medicine of this character should feel a sense of security in our offer.

**All Run Down—No Appetite.** If you feel all worn out, have very little appetite, and not much sleep, caused by over-work or sickness, try VINOL on our guarantee.

**Debilitated—All Tired Out.** Why drag out an existence without life or ambition. It is not natural to feel continually tired. We guarantee VINOL will bring life, strength and vigor to the debilitated. If you do not feel well try VINOL. If it does not help you, your money will be refunded.

**Gain Flesh—Got Strong.** You can get fat without taking disagreeable Cod Liver Oil. Fat taken into the system does not create fat. We believe VINOL will create flesh quicker than any preparation containing grease. We have proved in many cases that VINOL quickly creates strength. Try it on our guarantee.

**Indigestion—Dyspepsia.** Only those who actually suffer know its terrors, for them life is robbed of all joy. It produces many serious complications and enfeebles the entire system. Relief only comes when a scientific remedy enables the stomach to properly assimilate food. There is no medicine that will do this so successfully as VINOL. Try it on our guarantee.

**Old People—Weak People** need a strengthening and invigorating builder. VINOL is of exceptional value in such cases. We guarantee it to give strength and health to those who are weak and debilitated, from disease or old age. Try it on our guarantee.

**Pale Women—Pale Children** need a tonic-reconstructor that will create flesh and make pure red blood. Pale, haggard faces show that the blood is poor and thin, and also indicates imperfect digestion. VINOL will correct such troubles as sure as the sun shines. Children love VINOL, it is so delicious. Try it on our guarantee.

**Bronchitis—Sore Lungs** often end fatally unless specially cared for in its early stages. There is no medicine more valuable for restoring health to the throat and lungs than VINOL. Try it on our guarantee.

**Nervousness—Irritability.** Diseased nerves are due to over-work, insufficient nourishment or slow breaking down of general health. We guarantee VINOL to permanently and effectually remove nerve affections; it actually rebuilds the entire body. Try it on our guarantee.

**Chronic Colds—Hacking Cough.** Sure signs of danger ahead. One night as well commit suicide as to let them go unchecked. VINOL is the very medicine needed. Unlike other Cod Liver preparations, it does not upset the stomach, and is delicious to the taste. Try it on our guarantee.

**Nursing Mothers—Weak Mothers.** If women with nursing babies who have difficulty in keeping up their health and strength would take VINOL, we know positively that the best results would be obtained. You know the life and future development of the child depends upon proper nourishment.

We stake our reputation on this offer being genuine. You will absolutely be under no obligation to us whatever, if after you have given VINOL a fair trial for any of the above ailments and have not received any benefit; you have only to tell us so, and we will return the entire amount of money you have paid us.

You see our faith in VINOL, and you must admit that we know something about medicine; therefore, when we tell you that VINOL is the most valuable Cod Liver preparation we have ever known, and a wonderful tonic-reconstructor and builder of strength, appetite and health, at the same time delicious to taste, we are not unreasonable to expect you to believe us.

# Spices

## THAT SPICE

Although adulterated spices should never be used for any purpose, there is no time when pure spices are needed more than during the hog-killing season.

You can be sure of Pure Spices of the best quality if you purchase them here, for in spice purchasing we trust nobody, but test everything in the spice line the same as we do our drugs. If you could see what a lot we have to reject you would appreciate being able to so easily procure the pure kind.

At the present time we can furnish you with some of the freshest and best Sage, Black Pepper, Cayenne Pepper, etc., that was ever raised, and they'll cost you no more than old, flavorless, adulterated kinds which are frequently sold.

### SOLEMN CEREMONY

#### Two Humble Workmen Buried in a \$10,000 Steel Shroud

A funeral without parallel, perhaps, in history, took place in Philadelphia Sunday from the Midvale Steel Works, where a forty-ton ingot of steel, permeated with flesh, blood and bones of two workmen, was buried with solemn rites of the Roman Catholic Church.

The workmen who were so strangely laid away were John Forkin and Joseph Gazda, two foreign speaking laborers, who met a horrible death a week ago.

They were in a pit near a cupola containing many tons of molten steel. A plug gave way and 80,000 pounds of fiery fluid poured from the cupola and overpowered them. The men were completely incinerated, and not a trace of them or of their clothing was left.

#### SOULLESS CORPORATION.

The Midvale Steel Company was averse to selling the steel or using it for the purpose intended, and it was decided to bury it with the rites of the Church to which the two unfortunate men belonged. Accordingly the forty-ton ingot, oval in shape, twenty-eight feet long, six feet wide, five feet thick, and worth \$10,000, was moved last week by a traveling crane to the rear of the machine shop where a grave ten feet deep was made. The great mass of metal was laid in the hole and a platform was built over it so that burial services could be better performed.

In the center of the platform was an opening six feet in diameter.

#### MORBIDLY CURIOUS CROWD.

A great crowd sought admission, but only the two sisters of Gazda and about 100 workmen were permitted to attend the service along with officials of the Company.

All heads were bowed and flags lowered at half staff while two Priests conducted the services. After the sisters of Gazda had been led away the great ingot was covered with earth and the funerals party dispersed. The grave of the men will be appropriately marked by the Company.

The cavalcade that came prancing up Second street yesterday afternoon reminded old-timers of war times. It was a gang of fox hunters headed by City Clerk-elect James Onten, returning from a forlorn chase. The heat they could do was to slay one poor little rabbit and an aged oon.

Mr. A. M. Johnson, patentee of a combined door lock and door chock, left last night for Cincinnati, where he goes to promote his invention. Alex is deserving of success on general principles, and his Mayville friends hope he may gather in a fortune and live at ease the rest of his life.

The patriotic Home Missionary exercise, or the Boys and Girls Rally Day, will be held at the Christian Church Sunday morning. There will be singing by the school and an address by George B. Ranshaw of Cincinnati.

A defeated politician who has the had taste to scowl at every one who voted against him is wholly unfitted for a successful political career. An unsuccessful candidate who gracefully accepts his defeat is paving the way to future success. At least that is the opinion of the curbstone reporter.

Cadet Gilbert Wilkes, a native of this county, and a grandson of the late Colonel Charles A. Marshall, now at West Point, stood fourth in a recent examination at that school. His paternal grandfather, Commodore Wilkes, was one of the most conspicuous figures of the Civil War. It was he that seized Mason and Slidell, Confederate Commissioners, en route to Europe.

### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is completely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
